Casey Sweet	Food Service Director
Jessica Haines	Environmental Director
Ashley Versluys	RCM 2nd shift
Ana Capetillo	RCM 3rd Shift

Resident Council Meeting

Our monthly Resident Council Meetings are held on the 2nd Wednesday of the month after lunch. They give our resident friends the opportunity to share their ideas, questions, complaints or comments with the management team and other residents. We value each person and their unique perspective. We encourage every resident to come to this forum where they can speak freely and be a part of our continued positive growth in all areas of the assisted living experience.

Happy Birthday! CELEBRATE!!!!!!

Carl	03/03
Paige	03/08

March 2023

Chef Aaron presenting some new menu options for us to try.

Fabulous Food Show!

We want to thank Chef Aaron from Gordon's Foods for coming out and presenting us with some new menu options to taste and give our feedback on. We had a lot of great options but there was a clear winner in each category. The Breakfast bake received the most votes for breakfast. The Salmon was the clear winner in the Main dish category served on a bed of couscous with a delicious lemon and caper sauce. The favorite dessert was the Fried apple pie, some suggested that it come with a dollop of vanilla ice cream next time. :-)

The event was enjoyed by all and we are discussing the possibility of having a Food Show four times a year so that we can explore each seasonal menu.

Welcome March!

Spring wreathes are available for just 15.00 each.

We at Fountain View are looking forward to springtime and the warm weather when our resident friends can get outside on a daily basis for fresh air, fellowship and sunshine! We look forward to utilizing our back patio area and not too long after that, starting to plant our raised garden beds. Please check out our Facebook page as well as our website. You can keep up to date with what is happening daily. On the website, you also see the monthly newsletter, life enrichment and dining calendars. We had a successful Valentine fundraiser and our next one will be springtime wreaths which are for sale for \$15. Please see Inger for details before they are all gone! We will also be having the Baruch annual wing a thon. We are looking for donations of wings, monetary donations, or if you would like to form a two person team, please let us know!

Your Small Change Makes a Big Difference!

Being a no profit organization, we must run several fundraisers per year. Monies donated go right back into our location to continue to provide high quality services and resources for our resident friends. We also have a black mailbox secured to the wall on the way into the lobby. Anyone interested can put small change into that and monies raised will benefit Life Enrichment.

Finally, our staff continue to attend monthly in-services and meetings. In January, we reviewed residents rights as well as discussed interpersonal communication. Careline Hospice is providing an in-service on hospice to the staff. We also have Hometown Pharmacy's nurse educator providing a medication class to keep all RCS staff up to date and informed. Education and training is a high priority for the staff who cares for your loved one. Do not hesitate to reach out to me anytime with questions or concerns! Sarah
