Resident Council Meeting

Our monthly Resident Council Meetings are held on the 2nd Wednesday of the month after lunch. They give our resident friends the opportunity to share their ideas, questions, complaints or comments with the management team and other residents. We value each person and their unique perspective. We encourage every resident to come to this forum where they can speak freely and be a part of our continued positive growth in all areas of the assisted living experience.

Happy Birthday! CELEBRATE!!!!!!

A Glowing Goodbye

"Autumn glows upon us like a splendid evening; it is the very sunset of the year." —Mary Russell Mitford

Key Information

As a crucial clue in a mystery novel or an eye-catching item hanging from an antique chain, a skeleton key has an eerie quality that matches its name. This type of master key is called a skeleton key because in order to fit into all the locks it's meant to open, it's been stripped down to the "bare bones," with a smooth edge that bypasses the usual grooves and bolts inside certain locks.

Nibble and Sip

Cheese with sliced apples, or even a slice of apple pie, is a classic pairing. Apply this same logic when sipping on apple cider. Foodies suggest brie, cheddar, gouda and blue cheese to bring out the bold flavors of the crisp fall beverage.

October greetings one and all!

I hope this finds each one of you well. As we plan ahead to the fall and winter months, there are a few things that I would like to highlight. Halloween is celebrated with trick or treating for the public. Residents and staff look forward to October 31st. Residents make up candy bags and pass them out to the children in the community. It is important to Fountain View of Grant to maintain its community connection, and Halloween is just one of those occasions. We will gladly accept any donations of candy or small favors so that the residents can prepare bags for the children. If you would be so kind as to donate, please drop off to Inger, the Life Enrichment Director. By the time that you read this, Baruch Senior Ministries will have celebrated its 25th anniversary. Baruch brought in cake for each community. Congratulations Baruch Senior Ministries! We are blessed to serve. The annual tree lighting memorial will be held on an evening in December. More information to follow. Also, each year, letters are sent out to families for the employee Christmas fund. When you receive this letter, if you wish, you may contribute a monetary amount for the fund, it will be greatly appreciated as the staff work very hard to provide excellent care and compassion. Often families like to do something, and this is a perfect time of year to do so. More information will follow.

Thank you. Sarah

ANOTHER SMILE

Harriet Kenney

So **what!** If there's a pain here or there!
Why should you care?
So you've a pain in your neck What the heck,
If all else in life is well in your life? A little strife
Or a little woe....You needn't let it show.
So turn that frown upside down
And try wearing a smile all day.
What more can I say?
Except your aches will be gone before very long
You'll feel so proud.
Like you are sitting on cloud 9 and that sure is a sign
that you're spreading joy and happiness.
You'll see all the crabbiness and sadness disappear.
You'll have music in your heart that others can hear
As you spread the greatest gift you can give.
Make others feel better by the smile that you LIVE!
