Be it big or little the effort you make, The world has need of you. If it's only a thought you give by the way, If it's only love's word you pause to say, It's a part that nobody else can play, So the world has need of you. By your smile you can change another's life; The world has need of you. By a word you can bring peace out of strife; The world has need of you. Then lift your head and never say die; Count every blessing, stop every sigh, Get busy . . . don't let a chance slip by, For the world has need of you.</i>
